

OFFICE SUPPORT SPECIALIST

Technical Diploma Program Code: 31-106-8 Total Credits: 32

Mid-State's Office Support Specialist program develops students into key members of an office team. The program emphasizes document preparation and the effective use of personal interactions and ever-changing technology to support your role as the central communications link in an office. Through a variety of activities, you will learn to handle multiple projects and deadlines, manage time, solve problems, and be helpful in nature—all skills in high demand by employers.

COURSE DESCRIPTIONS

Accounting 1

10101140.....3 credits

A beginning course designed especially for majors or those who need a strong foundation in accounting principles. Develops the accounting cycle of journaling, posting, adjusting, closing, and reporting. Also emphasizes service and merchandising sole proprietorships in developing the accounting cycle. Explores issues for accounting for cash, accounts and notes receivable, inventories, and fixed assets.

Business Communities

10102230 1 credit

This course provides students with a comprehensive understanding of how different business communities operate, how they contribute to economic ecosystems, and how learners can participate effectively. This course will explore the dynamics, structures, and strategies involved in various professional associations, including local, global, industry-specific, and online communities.

Business Networking

10102231..... 1 credit

This course will equip students with the knowledge, strategies, and practical techniques to build, nurture, and leverage professional relationships for personal and organizational success. Through a combination of classroom instruction, interactive exercises, and simulated practice, this course will empower students to enhance their networking abilities, expand their professional circles, and create valuable connections.

Introduction to Business

10102101.....3 credits

An introduction to what a business is, how it operates, and how it is managed. Students identify forms of ownership and the processes used in production and marketing, finance, personnel, and management in business operations.

Marketing Principles

10104102.....3 credits

This course serves as an introduction to the fundamental marketing concepts used to apply marketing strategies to product development, distribution, pricing, and promotion of goods and services.

Microsoft Office-Introduction

101031063 credits

Develops introductory skills in the Microsoft Office Suite (Word, Excel, Access, PowerPoint, and Outlook) while reinforcing the students' knowledge of computer concepts, Windows Explorer, and web usage. This course prepares students for the Associate level MOS Certification exams for Word, Excel, PowerPoint, and Outlook. Students should possess basic keyboarding, mouse, and Windows 11 skills. Students may develop these skills in the Academic Learning Center while concurrently enrolled in this course.

Organizational Behavior

10102138.....3 credits

This course assists the learner in becoming a more effective co-worker, team member and organizational citizen through an understanding of the key principles of how people behave within organizations and in turn, predict and influence future behavior. As a result, the learner will analyze organizational structures, assess organizational culture, analyze leadership types and styles, apply conflict resolution strategies, explore power relationships, implement change management techniques, demonstrate effective team management and describe the ingredients of diversity as these aspects are related to people's behavior in organizations.

Professional Business Skills

10106190.....3 credits

This course introduces critical technology and organizational skills for the modern workplace. Participants will learn calendar management and meeting scheduling, virtual and in-person meeting hosting, document formatting and filing, and presentation layout and design using industry-standard cloud-based applications. This course emphasizes practical applications to ensure participants can immediately apply their acquired skills in real-world scenarios.

Quality Customer Service

10106106.....3 credits

Addresses sensitivity in communicating with customers and co-workers. Includes international communications, teamwork, working relationships, and telephone skills.

Speech

108011983 credits

Explores the fundamentals of effective oral presentation to small and large groups. Topic selection, audience analysis, methods of organization, research, structuring evidence and support, delivery techniques, and other essential elements of speaking successfully, including the listening process, form the basis of this course. Includes informative, persuasive, and occasion speech presentations.

Prerequisite: High School GPA of 2.6 and MMR and MMW or Accuplacer Reading Skills of 253 and Writing of 262 or ACT of 21 Reading/19 English or completion of College Reading and Writing 1 10831104 with a "C" or better

Team Building & Problem Solving

101961893 credits

Applies skills and tools necessary to facilitate problem solving in a team environment. Each learner assumes the roles and responsibilities of team leadership in the stages of team development, uses a systematic problem-solving process, and employs consensus-building and conflict-management strategies.

Written Communication

108011953 credits

Develops writing skills which include prewriting, drafting, revising, and editing. A variety of writing assignments are designed to help the learner analyze audience and purpose, research and organize ideas, and format and design documents based on subject matter and content. Also develops critical reading and thinking skills through the analysis of a variety of written documents.

Prerequisite: High School GPA of 2.6 and MMW or Accuplacer Writing of 262 or ACT English score of 20 or completion of College Reading and Writing 1 10831104 with a "C" or better
