

The Mid-State Technical College Foundation will host its 28th Annual Scholarship Awards Reception on Monday, September 14 at noon in the cafeteria on the Wisconsin Rapids campus. This event will celebrate the academic achievements of over 165 students and honor businesses, organizations and individuals who have generously provided many of these scholarship opportunities.

- Beginning in 1981 the Foundation awarded 17 scholarships totaling \$1,600.
- For the 2009-10 academic year, the MSTC Foundation has awarded over \$175,000 to assist over 250 new and continuing students enrolled in one of over 50 programs currently offered.

We are most grateful to the businesses, organizations, and individuals who support our efforts – the impact of this generosity is tremendous! Thank you.
