Total Credits Completed at UW Stevens Point

59

Additional Information

- 32 credits must be from 300- or 400- level courses; 2-3 additional credits beyond what is provided by completion of the CIS program requirements are required to satisfy this degree requirement.
- The acceptance of credits applies only to this program-to-program agreement and to students transferring within the terms of this agreement.
- For acceptance of equivalent courses, Mid-State courses must have been completed within the last five years. Beyond this period, course equivalents will be assessed on an individual basis.
