

Nursing Program Assistance

Do you have questions or are you interested in pursuing the Nursing program?

Please choose from the following options to get your questions answered:

If you are just starting out and would like information on the Nursing program, your first step is to complete the mandatory Nursing Information Session in person. During this session, we will review the process to apply to the Nursing program and provide general information on the program. You must pre-register for the in-person session. Please register online at: <http://www.mstc.edu/nursing/registerforasession.htm>. You may also call 888.575.MSTC (ext. 5500) to register.

If you have already attended the Nursing Information Session, we offer the following dates for you to come in and get your questions answered. You do not have to register - please just attend at the rooms and times listed below. All sessions are held on the Wisconsin Rapids campus.

Also, you can email your questions to the Nursing counselor, at brian.sadler@mstc.edu. You can also review the Nursing website to answer a lot of your general questions at: <http://www.mstc.edu/nursing/index.htm>

Please note that the need for individual appointments for personal issues will be available by connecting with the counselor at the sessions or through email.

We look forward to meeting with you, and thank you for your interest in the Nursing program at Mid-State Technical College!
