

Academy Manufacturing

Career Exploration for High School Juniors & Seniors

Monday, July 30 - Thursday, August 2 ~ 9:00 a.m. - 3:30 p.m.

You are invited! Mid-State Technical College (MSTC) will host a unique four-day learning opportunity at its Wisconsin Rapids campus, 500 32nd Street North.

Gas cards available for academy participants!

Take advantage of this **FREE** hands-on academy to explore manufacturing programs, see cutting-edge technology and tour various manufacturing facilities. There is no cost for the Manufacturing Academy and lunches are **FREE**. **Who says there's no free lunch?**

Top **Ten** reasons to attend the Manufacturing Academy:

- 1** Increase your **knowledge** of local employment options
- 2** **Design** and **build** a cell phone or MP3 accessory
- 3** **Tour** local manufacturing facilities
- 4** Attend career exploration **workshops**
- 5** Obtain one MSTC **credit**
- 6** **Gain** direction for where you are headed after high school
- 7** **Experience** career training on a college campus
- 8** **Meet** other students with common interests
- 9** Find out how to **plan** and finance a college degree
- 10** It's **FREE**

Space is limited. Register today! Registration Deadline is Friday, July 13.

To register or for more information contact:

Chris Scheller

Phone: 715.422.5384

Email: chris.scheller@mstc.edu

Register online: www.wlc.info/mfgacademy.htm

MSTC will make every effort to accommodate any special needs that you have. Just let us know!

Funding for this program was provided through a Workforce Investment Act (WIA) Performance Incentive Grant administered by the Wisconsin Department of Workforce Development and the Wisconsin Technical College System.
