HOW IT WORKS

Your job posting is:

- Targeted to students and graduates from related program areas.
- Accessible statewide.
- Matched with student and graduate resumes.
- Measurable: track its visibility.

Your jobs can be viewed by students and graduates:

- In programs related to your job requirements.
- Who desire your job location.
- Who want your job type — full-time, part-time, internship.

Each year on Wisconsin TechConnect:

- Over 50,000 job openings are posted.
- Over 32,000 students and graduates search for employment with Wisconsin TechConnect.
- Up to 4,000 resumes are uploaded.

TECHNICAL EDUCATION IS IN DEMAND

And so are the jobs requiring technical education. The U.S. Department of Labor Statistics predicts more jobs over the next decade will require technical and occupational degrees than any other type of degree.

Why Choose Wisconsin TechConnect?

- **Free** - no cost to employers
- **Fast** - jobs posted daily
- **Easy** - post a job in minutes
- **Targeted** to a technically skilled workforce
- **Reach** students, graduates and faculty statewide with a single job entry
