

## Directions to Dreyfus University Center 1015 Reserve Street, Stevens Point, WI

- From the North or South: Travel on I-39/Hwy 51 to Stevens Point. Take Exit 159 and drive west on Stanley Street into the city. Continue to follow Stanley Street to the t-intersection with Fremont Street. Turn left on Fremont Street and right on High Street. The Dreyfus University Center is on your left. See parking instructions below.
- From the East or West: Travel on Highway 29 to Wausau, then take I-39/Hwy 51 south to Stevens Point. Take Exit 159 and drive west on Stanley Street into the city. Continue to follow Stanley Street to the t-intersection with Fremont Street. Turn left on Fremont Street and right on High Street. The Dreyfus University Center is on your left. See parking instructions below. **-OR-** Approaching from the east, take Highway 41 to Appleton, then Highway 10 west from the Fox River Valley. Then follow Highway 66 west into Stevens Point (this is also called Main Street), and stay on it until you reach campus. Watch for the stoplight/intersection with Michigan Avenue, and two blocks beyond this is Fremont Street. Turn right on Fremont Street and left on High Street. The Dreyfus University Center is on your left. See parking instructions below. Approaching from the west, take I-94 east and south to Osseo. Take Highway 10 east past Junction City and then follow County HH into Stevens Point. Turn left onto Hwy 66 east (this is also called Clark Street once you cross the Wisconsin River). Turn left on Fremont Street and left on High Street. The Dreyfus University Center is on your left. See parking instructions below.

**Parking Instructions:** After unloading, please move your vehicle to parking lot T or R. Park in any of the metered spaces, and place your parking permit on your dashboard above the steering wheel. Your parking permit(s) will be emailed in advance and must be printed and brought to campus by the recruiter(s). One parking permit is included in the registration fee for each organization, and additional permits were available for purchase when you registered. You do not need to put money in the meters if using a parking permit.

**Note:** the permit is not transferable to any other parking lot—you must park in lot T or R.

**Unloading Instructions for Recruiters:** Enter parking lot Z immediately north of Dreyfus University Center from High Street. Pull up to the loading zone at the curb near the main doors and put on your car flashers. This will give you 20 minutes to unload your materials before moving your vehicle to a metered space.
