ELIGIBILITY
Your eligibility for financial aid is based on the information you reported on your 2017-18 FAFSA. Contact the Financial Aid Office if there are changes in income that may affect your family's ability to pay for costs at Mid-State. You may be eligible for increased amounts of financial aid due to special circumstances or a substantial change of income.

ACCESSING YOUR FINANCIAL AID AWARD
Access your financial aid information directly from any computer with Internet availability.

1. Go to mstc.edu/mymstc.
2. Enter your MyMSTC User ID. Your student ID can be found on your class schedule or registration.
3. Enter your current MyMSTC password.
4. Click the Student Center link.
5. In the Finances section, click Accept/Decline Awards. Click on the current aid year. Check to accept or decline each category of aid offered. Grants are accepted for you. Loans and work study cannot be processed until they are accepted. You must click the Submit button to save.
6. Click on Awards and select the most current year to view. By selecting, it will show your Financial Aid Award Summary for each term.
7. If you decide not to enroll, deny all aid so it can be cancelled.
8. Refer to the directions regarding student loans. There are additional steps to receive those funds.

FINANCIAL AID RECIPIENT
Based on the information you submitted, we are pleased to extend a financial aid offer for the 2017-18 academic year. Your notification award is online on the college’s MyMSTC site.

MyMSTC is available 24 hours a day, seven days a week. We will continue to connect you with more information and services electronically through this site. You can complete the Student Loan Master Promissory Note; complete the Entrance and Exit Loan Counseling process; and access your student award, student accounts, and student records online.

A successful financial aid experience requires that you be actively involved in the process. It is important you read this guide to understand your financial aid rights and responsibilities.

Keep copies of book receipts, tuition bills, and financial aid awards for tax purposes.
Consult your tax preparer regarding education credits and reporting aid as taxable income.

Financial aid comes in the form of grants, scholarships, loans, and work study from federal, state, and private funding sources. Student eligibility is based on the premise that you and your family have the primary responsibility of covering the cost of education. Financial aid is designed to supplement students’ resources to help them achieve educational and career goals.

Financial aid will be offered to students only after they have enrolled in a financial aid eligible program.
Department of Education regulations allows financial aid to be used only for courses required for graduation.

earlier program will generally count against the new maximum limit. Once the student is no longer eligible for Subsidized Loans, he/she may continue to receive Direct Unsubsidized Loans, which accrue interest while attending college.

IMPORTANT INFORMATION TO KNOW
All student loans must be paid in two disbursements, one each semester. If a student is only enrolled for one semester, loans must be double disbursed—half on the standard disbursement date and half at the mid-point of the semester. If a student is a first-time borrower, Mid-State cannot disburse the first payment until 30 days after the first day of the semester. This practice ensures that students won’t have a loan to repay if they don’t begin classes or if they withdraw during the first 30 days of classes. If tuition is still owed, it will be deferred until your loan funds are disbursed as long as you complete the Master Promissory Note and Loan Counseling and are enrolled and attending classes.

Federal Direct Student Loans
You may also be awarded a Federal Direct Stafford Subsidized and/or Unsubsidized Loan if you are enrolled for a minimum of six credits. To process your loans, you must accept, decline, or reduce your loans through the “Accept/Decline Financial Aid” link on MyMSTC. Your loans will not be automatically processed unless you accept them.

Important steps required to process a student loan:
1. Accept your loan on MyMSTC. In the Finances section, click Accept/Decline Awards.
2. After accepting your loan, click on the MPN link to complete and sign a Direct Loan (DL) Master Promissory Note (MPN). You must log on to the website (studentloans.gov) using your FSA User ID from the Department of Education. This DL Master Promissory Note will be your legal agreement for the direct loan period. Mid-State electronic transfer of funds and loan processes are run weekly. It is very important to follow these procedures as outlined. Every new student must complete an MPN.
3. Complete Direct Loan Entrance Counseling. All first-time borrowers are required by federal regulations to complete Entrance Loan Counseling before loan funds can be disbursed. This step can be completed at studentloans.gov.

First-time loan borrowers have a maximum eligibility period to receive Direct Subsidized (interest-free while in college) and Direct Unsubsidized Loans. The maximum eligibility period for which the student is enrolled in a two-year associate degree program, the maximum period for which he/she can receive Direct Subsidized Loans is three years. If the student is enrolled in a one-year technical diploma program, the maximum period to receive a Direct Subsidized Loan is 1.5 years. If the student receives a Direct Subsidized Loan for one program of study and then changes to another program, the Direct Subsidized Loans received for the earlier program will generally count against the new maximum limit. Once the student is no longer eligible for Subsidized Loans, he/she may continue to receive Direct Unsubsidized Loans, which accrue interest while attending college.

Satisfactory Academic Progress
All students must maintain Satisfactory Academic Progress in order to continue to receive all financial aid. Students are required to maintain a cumulative grade point average of 2.0 and complete all courses attempted with a completion rate of at least 67 percent. Grades such as an F, W, IP, or IC are not considered completed and will count against your calculation. Because of the cumulative nature of this policy, it is very important to carefully consider dropping and adding courses.

Disbursement of Aid
Financial aid will be applied to student accounts according to the census date of each semester. Tuition can be deferred until financial aid is released. Financial aid is applied to outstanding tuition, fees, and book charges. Any remaining balance must be paid by the student or by check or direct deposit. E-refunds can be set up on the Student Center under e-account management. For information on book charges, go to mstc.edu/financial-aid.

Book Charging
You may be eligible to charge textbooks at the Mid-State Bookstore if you meet the following criteria:
- Have been awarded financial aid for the current term.
- Have remaining funds available after your account balance is deducted from the financial aid minimum of $1,000, maximum of $1,000.

GRANTS
Federal and state grants are awarded to students with financial need after aid is paid out once each semester. Grants do not have to be repaid unless you withdraw from school, drop a course during the 80 percent or 100 percent refund period, never attend class, or fail all courses. Most grants require a minimum of six credits to be eligible. Some students may be eligible for a partial Pell Grant with less than six credits. Pell Grants are prorated based on enrollment. The Department of Education has established a 12-semester lifetime limit (or its equivalent) for a student to receive Pell Grants.

FINANCIAL AID ENROLLMENT
Students are paid financial aid according to their enrollment in credit courses on the census date of each term based on the following:
- Full-time = 12 or more credits
- Three-quarter time = 9 to 11 credits
- Half-time = 6 to 8 credits
- Less than half-time = 5 or fewer credits

Students should make all enrollment adjustments 10 days prior to the start of the term to ensure their aid is calculated correctly for the term to avoid overpayment.

Enrollment is locked in for financial aid on the 14th calendar day of the semester for Fall/ Spring, 7th day for Summer.

Students who withdraw from the college or receive all “F” grades for the semester must be calculated for Return of Title IV Aid, which may result in a repayment of financial aid and/or tuition and could place the student on warning or suspension status.

Students should carefully consider adding and dropping courses due to the cumulative nature of the Satisfactory Academic Progress policy.

Withdrawals or all “F” Grades
Federal law states that if a student receives financial aid and withdraws, quits attending, or drops out of all of their classes before completing at least 60 percent of the semester, the student will have to return a portion of the federal aid that was received.

The student will be billed for the amount to be repaid according to this policy. A student must be reported to the Department of Education for repayment, and until the balance is paid, the student’s record will be placed on hold, prohibiting a student from receiving any further financial aid funds nationally. A hold will be placed on Mid-State registration, grades, and/or transcripts if a student has outstanding tuition, fees, or other institutional charges.

If you receive all “F” grades for a term, you will be considered an “unofficial withdrawal” and will be required to repay calculated institutional costs.

Students must drop classes online or through the Student Services & Information Center. Students will not be automatically dropped from classes by simply not attending. Students are liable for charges for classes not started unless they are dropped prior to the first day of the term.
