

What is MyCampus?

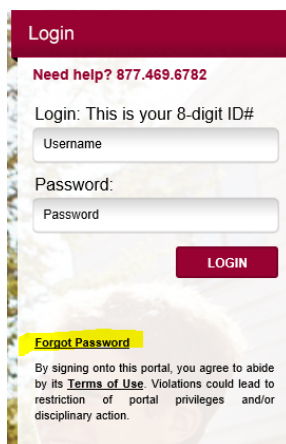

The MyCampus Application is your one-stop website for accessing all your important MSTC Applications. You no longer have to remember multiple URLs, usernames, or passwords for these applications. In addition, the MyCampus Application allows you to change your MSTC network password or reset a forgotten password!

NOTE: Once you change your domain password (MSTC network account password) using MyCampus, you will use the new password to log into Blackboard, computers on MSTC campuses, and Office 365.

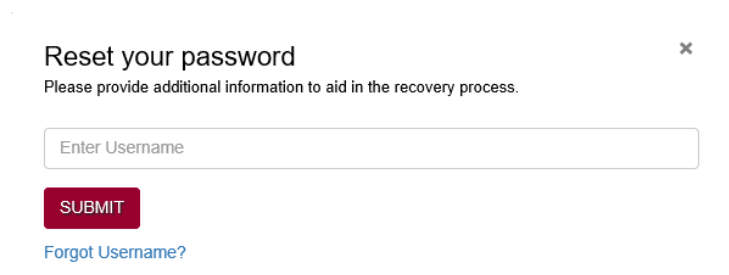

Changing your MSTC Network Password / Forgotten Password (Off Campus, Must have enrolled prior to using.)

Option 1: From the [MyCampus Application Login Screen](#)

- Click the [Forgot Password](#) link located below the Login/password fields on the Login screen.
- Enter your MSTC Network Id (Student Id Number) as your Username.
- Click **Submit**.

The screenshot shows the MyCampus Login interface. At the top, there is a maroon header with the word "Login" in white. Below the header, there is a link for "Need help? 877.469.6782". The main form area has a light background with a subtle image. It contains the text "Login: This is your 8-digit ID#" followed by a text input field labeled "Username". Below that is another text input field labeled "Password". A maroon button with the text "LOGIN" is positioned below the password field. At the bottom of the form, there is a yellow highlight over the text "Forgot Password". Below this, there is a small disclaimer: "By signing onto this portal, you agree to abide by its [Terms of Use](#). Violations could lead to restriction of portal privileges and/or disciplinary action."

The screenshot shows a "Reset your password" dialog box. The title bar says "Reset your password" with a close button (X) on the right. Below the title, it says "Please provide additional information to aid in the recovery process." There is a text input field with the placeholder text "Enter Username". Below the input field is a maroon button with the text "SUBMIT". At the bottom of the dialog, there is a link that says "Forgot Username?"

- Select the appropriate recovery method (cell or email)
- Check your phone or personal email for the provided challenge verification code.
- Enter the code and click submit.

Reset your password

Please provide additional information to aid in the recovery process.

Select a verification option.

Reset your password

Please provide additional information to aid in the recovery process.

The security code is sent to your email address

SUBMIT

[Resend Security Code](#)

[Change Recovery Email](#)

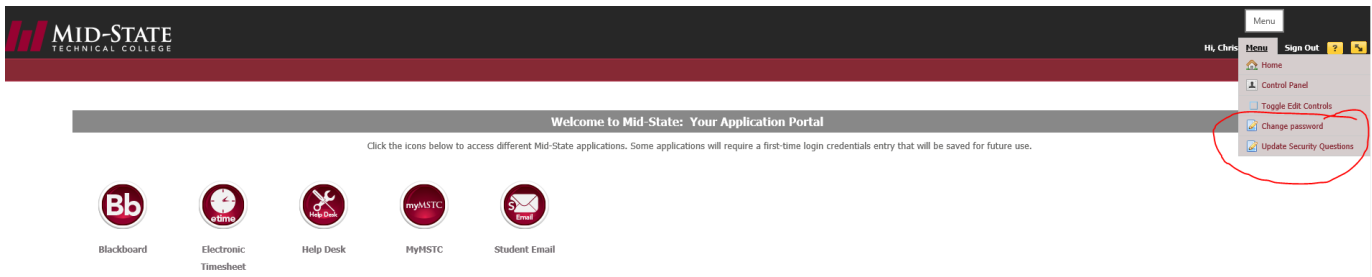

- Click **OK**.
- You will then be required to enter your new password. **Type** your new password. *Passwords must meet the MSTC Network password requirements.*
- **Type** your password again in the second box to verify.
- Click **OK**.
- Upon resetting your password, you will receive an email confirming the reset.

Option 2 (Must know your password): While logged into the [MyCampus Application](#)

NOTE: Passwords must meet the MSTC Network password requirements.

- Hover over the word **Menu** on the upper right-hand corner of the screen. A drop-down menu will appear.

- Click on **Control Panel** from the list.

Please re-enter your password

Re-enter New Password
Re-enter new password

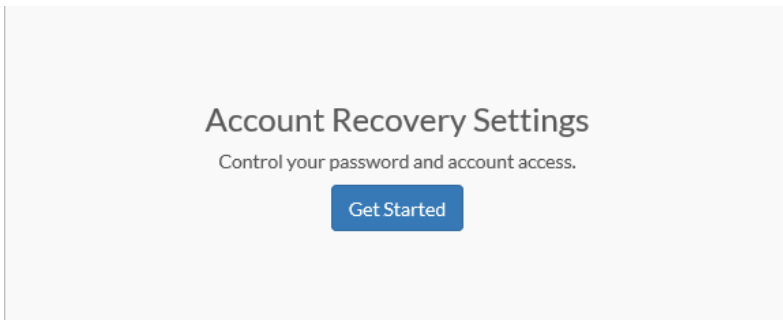

Back Update

- Type your current password.
- Type your new password.
- Type your password again in the second box to verify.
- Click Update.

Important Note: Resetting this password will change your MSTC Network login password. If changed, you will need to use the NEW password the next time you log onto the MSTC network.

You may also update the Account Recovery Settings from the menu.

- To see your previous responses, click the Get Started button to reveal the answers you created for the recovery options.
- You may change any or all of the recovery options (email and/or phone).
- When finished, Click Update.

Verification methods can be used to make sure it's really you signing in or to reach you if suspicious activity is detected in your account.

- Email Recovery
- Phone Recovery
