Wisconsin's Polytechnic University

**General Education Transfer Guide
Mid-State Technical College – Liberal Arts
to the University of Wisconsin-Stout**

University Requirements: UW-Stout prepares students to graduate with broad, complex understandings of daily life in a global society. Thus, there are four university requirements to be fulfilled prior to graduation: 1.) Racial and Ethnic Studies (RES) 2.) Global Perspectives (GLP), and 3.) Stout Core/General Education (GE, divided into categories and areas), and 4.) Major Studies. Students who select courses that count for more than one of the above requirements (two total: 1 within either GE or Major Studies, and 1 within either RES or GLP) reduce the total number of courses they must take to fulfill university requirements.

Students who have successfully completed the Associate of Arts (AA) or Transfer Associate of Science-Liberal Arts (AS) degree will have Stout Core/General Education, Racial & Ethnic Studies, and Global Perspectives considered complete *with the exception of any course specifically required by the major*. Check the undergraduate bulletin for what majors require specific coursework within Stout Core/GE.

For Additional Information:

1. See your academic counselor.
2. Examine a copy of the Stout Undergraduate Bulletin available online at bulletin.uwstout.edu to obtain a program plan sheet for the major you are interested in. All program plan sheets on UW-Stout's website can be accessed at "Academic Programs/Majors" under the "**Undergraduate Bulletin**" navigation link at <http://bulletin.uwstout.edu/>. Here, you'll also find definitions to the abbreviations used in the table below.

In addition, review the **General Education Requirements by Major** handout for major-specific requirements. Access this handout under Transfer Resources on our Guides & Resources page: <https://www.uwstout.edu/admissions-aid/transferring-uw-stout/transfer-student-guides-resources>.

3. Official Transcripts must be sent directly to UW-Stout from the institution either hard copy or electronic to UW-Stout Undergraduate Admissions Office. Hard copies may be sent to: Admissions Office, 212 Sorensen Hall, 121 10th Ave. E, Menomonie, WI 54751
4. Contact the Transfer Team.
