---

## Work Experience

CRG DISTRIBUTORS, Waupaca, WI ..... 2006–2008

### Forklift Operator

Performed all forklift warehouse operations for this Central Wisconsin beverage distributor.

- Maintained a 100% safety record.
- Prepared products for shipment, including packaging and palletizing.
- Consistently displayed outstanding technical/mechanical aptitude—completed repairs of many forklift trucks onsite.
- Prioritized shipments effectively to meet required delivery timetables.
- Helped mentor and train new employees on workflow processes and procedures.

SMITHSON FABRICATION, Amherst, WI ..... 2008–2010

### Press Operator

Operated a power press, power brake and hydraulic press for this custom fabrication shop. Read blueprints and specifications as required in performing work.

- Successfully worked within close tolerances to produce minimal scrap.
- Maintained accurate accounting of steel usage and documentation of completed piecework.
- Performed inspections and adjusted temperatures as required to ensure that standards for quality, timeliness and customer satisfaction were met.
- Trained new hires in set-up and operating procedures.

COUNTY INDUSTRIES, Waupaca, WI ..... 2006–2008

### Printed Circuit Board Assembler/Touch-Up

Performed various PCB tasks for this contract assembly company.

- Hand soldered components onto PCBs per blueprints or specifications.
- Inspected PCBs for quality standards compliance prior to assembly.
- Manually assembled PCBs as required using blueprints and other specification documents.
