Mid-State eAccount Management - FAQ

Will I receive a paper bill?

No, you will receive an electronic bill only. You may request to receive paper bills by logging into your eAccount Management.

When is tuition due?

Tuition is due the first day of the semester. For dates visit:

mstc.edu/admissions/pay-your-tuition

What if I don't pay on time?

If your tuition is not paid, there may be a hold placed on your account that will not allow you to register for classes or receive transcripts or grades. You will also be subject to a \$40 late fee per semester.

How do payment plans work?

You can sign up for a payment plan as long as your tuition minus financial aid is at least \$300. Payments are split up into four equal installments for spring and fall terms, and three installments for summer term. A \$25 processing fee for payment plans is due at time of enrollment into a plan, however that fee is waived if you schedule automatic payments.

If I don't pay, will I be sent to collections?

The College may refer students with past due and outstanding tuition and fee obligations to the Wisconsin Department of Revenue, an outside agency for collection, and/or credit bureau reporting agencies.
