MID-STATE'S SUMMER MANUFACTURING CAMP INTRODUCES MIDDLE AND HIGH SCHOOL STUDENTS TO EXCITING CAREER CHOICES IN TODAY'S MANUFACTURING.

Participating students will:

- Explore hands-on skills common to several manufacturing trades and processes through state-of-the-art facilities.
- Use computer-aided design (CAD) and 3D printing software to design a product.
- Produce your products using a variety of techniques and equipment that are used in manufacturing careers.
- Interact with team members, local manufacturing business leaders, and entrepreneurs to increase your understanding of the modern manufacturing environment.
- Participate in tours of regional manufacturing facilities.

\$59 per student, with lunch included. (Scholarships are available.)

Email heather.grysluecht@mstc.edu or call **715.422.5426** to register or request a scholarship.

Register today! Space is limited to the first 12 registrants.

If you have a disability and require accommodations to participate in this activity, contact the event coordinator as soon as possible, ideally 14 days in advance.
