Tutoring Services

While Mid-State campuses are closed due to the Covid-19 pandemic, tutoring services will be provided in a virtual/online format starting March 30, 2020. Tutoring services are no cost to currently enrolled students.

*If you have a special tutoring request, please complete the **Tutor Request Form**.*

We will make every effort to provide peer tutoring; however, please be aware that we cannot guarantee we will find a tutor who meets your specific needs. Assigning a tutor may take up to three weeks.
