Subject: COVID-19 Update: Class Cancellations and Important Announcements

Dear Mid-State Students,

Thank you for your patience as we navigate this ever-changing situation. We are working diligently to provide information and the best possible solutions for our valued students, staff and community. As proactive steps amid escalating COVID-19 concerns, Mid-State will be advancing the college's Spring Break in order to allow faculty and administration time to focus on finalizing alternate instructional formats. **As of Monday, March 16, 2020, the College is canceling all academic classes and student events through Friday, March 27, 2020. Those attending classes through workforce and economic development or apprenticeship will be notified of class status.**

At this time, we anticipate offering classes in alternative formats starting Monday, March 30, 2020 through Friday, April 10, 2020 with exceptions for programming that does not allow for alternative delivery. We will communicate with students by Friday, March 20, 2020 about how instruction will be delivered on a course-by-course basis. Please be sure to check your college email regularly during this time.

Mid-State campuses and services will remain open during this time, including the LiNK and SSIC areas at each campus.

Thank you again for your patience. As changes rapidly occur, we will continue to share information. The most up to date information can be found at <https://www.mstc.edu/covid-19-coronavirus>.
