

same goal. new path.

Frequently Asked Questions

Where can I find a full listing of courses offerings?

Courses offerings can be found using our [ClassFinder](#) tool.

Pre-summer and summer term class offerings can be found here:
www.mstc.edu/registertoday.

Where can I explore programs?

On the [programs page](#) you can explore what you'll learn within the program, career options, costs, courses, instructor bios, program guides. Also, you can review what programs are offered at each campus location. Contact an Outreach Coordinator to discuss specific program options: <https://www.mstc.edu/k12-partners>

Where do I complete an application?

You can complete an online or paper application [here](#). Additionally, you can come campus during regular business hours to complete and application and receive a campus tour.

What are my steps, after completing the application?

An academic advisor will reach out to you 24-48 hours after application to schedule.

What happens during my new student advising appointment?

With the help of your academic advisor, you'll review you chosen program, determine your course schedule, set-up Mid-State account and blackboard, become aware of Mid-State resources aviable to each student.

You'll build a relationship with your academic advisor, as you'll meet with them at least once a semester to plan.

Do I need to have an ACT score?

No, if you have not taken the ACT or if your ACT test was taken prior to 2015 your Academic Advisor will connect you with the testing center to complete the Accuplacer test, which can be completed virtually.

What does "Mid-State admits on multiple measures" mean?

Mid-State will review your high school transcripts, ACT or Accuplacer scores, program specific classes, and GPA to ensure you are placed in classes that best fit.

Is there an application fee?

We are currently waiving our application fee of \$30 - schedule a time with an Outreach Coordinator to apply today prior to Decision Day, on May 1.
