SPECIAL NOTES:

! Foreign Language is a competency requirement at UW-Platteville. Students must either take 2 years of the same foreign language in high school with a “C” or better their 2nd year, OR they must take 2 semesters of college level foreign language.

! A minimum of 42 credits must be earned at the 300-400 level

! A minimum of 120 credits are required for graduation

! We do not guarantee that all of these courses will be available in the semester indicated. Course times may conflict depending on the semester.

! The plan of study listed above only fulfills an agriculture education non-teaching major. Other majors are available, but require different courses and may require additional time to complete.
