

I/We would like to invest in a trained and relevant workforce in central Wisconsin as a partner of the Advanced Manufacturing, Engineering Technology, and Apprenticeship (AMETA) Center.

SUPPORT OUR EQUIPMENT CAMPAIGN NOW!

Our students need your help to equip the AMETA Center with relevant training equipment.

Examples include:

- Sponsoring a piece of educational program equipment
- Used program-ready equipment donations considered
- Supplier volume discounts welcomed
- Sponsoring room furnishings
- Financial donations toward equipment welcomed

For more information, contact Ryan Kawski at **715.422.5402**.
