

## Dairy Cattle and Livestock Contest Card Info Sheet

Each student will be provided a folder with the contest cards. Contest cards will include important information. **IMPORTANT: prior to leaving Mid-State Technical College ask each student to verify that they have the correct folder. Having an incorrect folder could result in disqualification.** Do not lose any cards, extras are not available.

### Placing Cards

The class, school, FFA ID, and last name should all be filled in. If the information is not correct, see your contest chair. Classes should be color coded to help students follow the classes.

Class: \_\_\_\_\_

School: Example Area School District

FFA ID: 600000701

L Name: Example

Placing (example 4321, 1342, etc.):

--	--	--	--

Students should enter the placing of that class in the boxes provided. Information should be legible, if the contest chair cannot read the placing the student could receive a zero for that class. Turn in your placing card for each class to the contest chair.

### Reasons

The school, FFA ID, and last name should all be filled in. If the information is not correct, see your contest chair. You can enter the class and your placing to help you with your notes. Take this card with you to the judges and they will keep this.

Judges Use Only— Score:      /50

Class: \_\_\_\_\_

School: Example Area School District

FFA ID: 600000701 L Name: Example

Placing:

--	--	--	--

Notes:

### TAQs (Dairy Only)

The school, FFA ID, and last name should all be filled in. If the information is not correct, see your contest chair. Take this card with you to the judges and they will keep this. Enter the correct answer for each question 1-5 and turn this into the judge.
