

IMPORTANT! Put your name and your FFA ID on your sheet

In each ID room, the items will be labeled what number that item is. For example, item #1 is Dill. Student will use the guide and identify "Dill" as #105 and enter 105 on their answer card. Once in the written testing room, student will use that number and enter it in the ID portion of the example. Students should keep their card on them at all times. **Sharing or consulting will result in disqualification.**

Guide example:

Floriculture Plant Identification List

101	<i>Aechmea fasciata</i> cv.	Silver Vase Bromeliad	149	<i>F</i>
102	<i>Ageratum houstonianum</i>	Ageratum	150	<i>F</i>
