November

Find your fit! Students will work with their college outreach coordinator on their plans after high school. They will take advantage of PathwayU, a college and career planning tool.

Need money? The high school scholarship window opens in December. Only five questions are on the application!

January

The Free Application for Federal Student Aid (FAFSA) application for the 2025-2026 school year opens January 1. Meet with our financial aid team to receive assistance in completing the FAFSA.

April

Fall registration opens! Students will meet with their academic advisor to get registered for fall classes and complete Blackboard orientation.
