

Graduate Outcomes

December 2023-May 2024 Graduates

This report includes information about the successes of Mid-State's 2023-24 graduates. The data was compiled based on web, mail, and telephone surveys conducted from July 2024 through January 2025. The survey was completed by 663 out of 900 students who graduated in December 2023 through May 2024 for a response rate of 74%. Salary figures are based on those respondents who report being employed in occupations related to their training. The median salary reflects the midpoint of wages reported for each program. The results include the following degree types: Associate in Applied Science Degree (AAS), Associate Degree (AA, AS), Short-Term Technical Diploma, 1- and 2-year technical diploma.
