### PROCUREMENT & SELECTION METHODS DEFINED

Mid-State Technical College and the Wisconsin Technical College System have purchasing policies. The purchasing method applied meets those policies.

Interested bidders can request plans and specifications to be used for bid preparation. The lowest fixed price bid is accepted from a responsible bidder meeting specifications.

QUOTE - Quotes are solicited from three or more vendors (if available). The lowest quote meeting specifications is selected.

**REQUEST FOR PROPOSAL (RFP)** – A competitive selection process was completed to select the vendor for the purchase. Award was based on criteria that may include price and other critical criteria such as service, experience, references etc. Criteria is weighted and scored by evaluators. Agreements for services can extend for multiple years.

<u>COOP (Cooperative) Purchase</u> – A competitive procurement method was utilized to select the vendor and the contract was approved by another WTCS district. (Includes NJPA – National Joint Powers Alliance, WSCA – Western States Contract Alliance, National IPA – National Intergovernmental Purchasing Alliance and others)

STATE CONTRACT – A state agency such as the Department of Administration or UW system processed a bid or RFP and awarded the products and/or services to this vendor. Mid-State reserves the right to negotiate a lower price directly with the vendor.

**CONSORTIUM CONTRACT** – The WTCS Purchasing Consortium has completed a competitive selection process by RFP or Bid. Mid-State is able to participate without fulfilling a college-directed process.

**SOLE SOURCE** – The item meets the requirements listed in the Financial & Administrative Manual for Sole Source procurements.

<u>MANDATORY</u> – Mid-State is required to pay for the service or membership to provide day to day operations such as utilities, leases, insurance, mandatory membership dues, etc.
