CAMPUS HAZING TRANSPARENCY REPORT

The Campus Hazing Transparency Report is a record of all hazing incidents that are reported to the Mid-State Technical College Security Office. This hazing report has been prepared to document observed, reported, or suspected hazing-related activities within the college community. Its purpose is to ensure timely monitoring, transparent communication, and appropriate follow-up actions in accordance with institutional regulations and applicable laws. Mid-State Technical College will update the Campus Hazing Transparency Report twice a year, January and July, according to law.
